### SENATE DEMOCRATS FOR WOOL CONFERENCE

Agree to Stand Behind the La Follette Measure, Despite Action by the House Rejecting It.

Washington, Aug. 1.—The Democrats of the Senate agreed in caucus yesterday to stand behind the La Follette wool bill and ask the House for a conference. The House Tuesday refused to accept the bill as it passed the Senate.

The president will have a wool bill to veto if the caucus program goes through successfully, co-operation between the Senate progressives and Democrats having been assured by this action. It is expected that those members of the lower house who Tuesday urged sticking to the Underwood bill, even if that should mean postponing revision another six months, will readily agree, for the chance of putting Mr. Taft in the same "hole" as that in which Democrats and insurgents believe they put him last summer is too pleasant a prospect to be neglected.

In all probability the conferees on the part of each house will get together

much as they did last year, and the chances are that almost the identical bill will be put up to the president. The only real change in the situation appears to be that this year there is a feeling of certainty on the part of everyone concerned that the president will veto the bill. Last year only the regulars believed that he would refuse to give it his approval. Yesterday the regulars seem positive that a prompt veto will follow the passage of the new schedule K, and with this opinion both insurgents and Democrats heartily concur.

### BUTT'S TITANIC MESSAGE?

Appeal on Liner Paper Found in Bottle Off Block Island.

Pawtucket, R. I., Aug. 1.—A message purporting to be the last word from Major Archibald Butt, late military aide to President Taft, was picked up in a bottle off Block Island yesterday and read as follows:

"April 16, mid-ocean—Help—on a raft—Titanic sinking—no water or food."

The message was written on a wireless blank bearing the official imprint of the Titanic.

### CANDIDATES SEE COLONEL

Vermonters Tell Roosevelt of Campaign Here

### MAKING RAPID HEADWAY

People of State Strongly Moved, Say Progressive Candidates—Frank D. Thompson of Barton Comes Out for State Ticket.

Oyster Bay, N. Y., Aug. 1.—Colonel Roosevelt is undisturbed by the Washington report that only six or eight Republican congressmen have decided to support him. The opinion expressed by Roosevelt's associates is that some progressive Republicans are awaiting the outcome of the third party convention at Chicago.

Vermont has reported that the national Progressive movement is making rapid headway. "Mr. Metzger, who is the candidate for governor, and Mr. Aseltine, the candidate for lieutenant-governor, came to see me," said Colonel Roosevelt yesterday, "and said those outside of Vermont had no idea how strongly the people of that state were moved. They have the regular organization, the whole political machine, and the money against them. There are no politicians of experience with them, but they believe they have the people with them and feel very confident of the outcome."

### WILSON TALKS ON TARIFF.

Candidate Favors a Gradual Revision of Duties.

Seagirt, N. J., Aug. 1.—Gov. Wilson, following a conference with Representative Redfield of Brooklyn yesterday, who is a manufacturer, declared in his first public utterance on the tariff since writing his speech of acceptance that revision should not be made at one sweep, but should be gradual and thorough. Representative Redfield said he and the governor discussed three topics, the tariff, trusts and the scientific training of young farmers as a means of lowering the high cost of living.

He said Gov. Wilson believes the government should first establish its own policy so clearly, in dealing with trusts, that it could be readily understood, instead of being misinterpreted.

### THOMPSON FOR FLETCHER.

Barton Man Will Support Regular Republican Ticket.

Barton, Aug. 1.—Judge Frank D. Thompson of this village, one of Vermont's two Roosevelt delegates to the Chicago convention, and the recent Progressive contestant of Frank Plumley's seat in Congress, will support the Republican state ticket.

Judge Thompson stands emphatically that it had been his firm stand from the first that there was no room in Vermont for a third state ticket, and that the progressive principles in Vermont would be better furthered by lending hearty support to the Republican platform and ticket in this state.

### Crane Re-elected.

Boston, Aug. 1.—Senator Winthrop Murray Crane was yesterday elected to succeed himself as Republican national committeeman from Massachusetts at a meeting of the Republican committee. The state committee also fixed October 5 and Tremont temple in this city as the time and place for the state convention this fall.

### AUTHOR HELD IN MURDER CASE.

Mrs. Annetta Halliday Antona, Her Husband and Their Nephew Arrested.

Detroit, Mich., Aug. 1.—The prosecuting attorney and police officials yesterday continued an investigation of the circumstances surrounding the death early in July of Miss Elizabeth Fleming, which led to the arrest late Tuesday of Annetta Halliday Antona, author, Alexander Antona, and their nephew, Angelo Villa. Miss Fleming was an aged servant employed in the Antona home, who willed her property to Mrs. Antona. The death certificate was signed by Dr. E. F. Mills and gave intestinal trouble as the cause of death. The physician said yesterday that he is positive that there was no foul play. The amount involved was about \$1,800.

### NO RECOGNITION YET FOR CHINESE REPUBLIC

State Department Will Wait Until the New Government Acquires Stability.

Washington, Aug. 1.—The United States is not likely to recognize the Chinese republic until the new government has demonstrated its stability. At the state department yesterday, it was said that the United States was dealing officially with the Chinese government, but at the same time had not officially recognized the republic. The formalities incident to recognition would only be the issuance of new credentials to the American minister at Peking. Representative Sulzer wants the new republic recognized immediately.

### TICKET SALE \$250,000.

Chicago, Aug. 1.—Reservations for delegations from 19 states to the national Progressive convention have been made at downtown hotels, and Progressive leaders announced that before Saturday every state in the union will have been heard from. It was announced that the sale of seats in the convention would amount to about \$250,000. The states for which reservations have been made are Alabama, Arkansas, California, Florida, Idaho, Indiana, Iowa, Kentucky, Louisiana, Maryland, Massachusetts, New York, Pennsylvania, Tennessee, Wyoming, Georgia, Virginia and Michigan.

### ELIOT ON IMMIGRATION.

Believes Both Men and Women of Entering Races Should Come Together.

Honolulu, Aug. 1.—"Equal immigration for women" was the substance of a proposition broached here Tuesday by Dr. Charles W. Eliot, president emeritus of Harvard university. Dr. Eliot, however, was looking at the subject not from the viewpoint of women's rights, but as part of the study of the influx of foreign peoples into the United States. "If men immigrate, the women of their race should come too," he said. He advocated laws which would prevent the preponderance of more than five per cent. of men over women in any race entering the country. Moral stamina and racial purity, he said, would be safeguarded by such regulation. Dr. Eliot sailed for San Francisco on the China.

### STONEWALL JACKSON'S FLAG.

Banner Under Which General Died May Be Returned to Virginia.

Trenton, N. J., Aug. 1.—The flag under which it is said Gen. Stonewall Jackson received his death wound, for which Virginia patriots have been searching for years, will very likely be returned to Virginia. The flag is at present in the state capitol, where Lieut.-Gov. Ellyson of Virginia, who was visiting Adjutant-general Wilbur F. Sadler of the New Jersey national guard, saw it Tuesday. Ellyson, when he goes back to Virginia, will try to have the flag definitely identified and the transfer of the flag will probably take place with due ceremony. It is hoped that Gov. Wilson will attend.

The flag is a division corps flag and was captured in Chancellorsville, Va., by a New Jersey regiment the day after Jackson was shot. It has been in New Jersey ever since.

### TROOPS FIRE ON MINERS.

Shots Exchanged in Paint Creek, W. Va.,—No One Hurt.

Charleston, W. Va., Aug. 1.—Shots were exchanged Tuesday night between miners and 40 members of the state militia at Sterling in the Paint creek district. No one was injured. The guardsmen are reported to be following the offending miners into the mountains. An additional force of state troops has been sent to Sterling as a precaution.

### CODMAN HOUSE BURNS.

Enfield, N. H., Fire Endangers the Lives of Dozen Persons.

### STOWE'S LIBRARY DONOR DIES IN MINNEAPOLIS

H. C. Akeley, Millionaire Lumberman and Philanthropist, Who Gave Library to Native Town as Soldiers' Memorial.

Minneapolis, Minn., Aug. 1.—H. C. Akeley, millionaire lumberman and philanthropist, is dead here of heart disease. He was seventy-six years of age. Mr. Akeley, who was a veteran of the Civil war, erected a building as a memorial to the soldiers of Vermont, at his birthplace in Stowe, in that state and also founded a school at Grand Haven, Mich., where he formerly lived.

Mr. Akeley was born in Stowe, March 16, 1836, and was educated in the district schools of that town. He was a farmer and in later years a lawyer. When the war broke out, he enlisted as a private and was mustered out 1865 as the adjutant of a regiment. From 1872 to 1887 he manufactured lumber in Grand Haven, Mich., and was mayor of that city for two terms. From 1869 to 1881 he was collector of customs for the district of Michigan and had lived in Minneapolis since 1887. At the time of his death he was president of the H. C. Akeley Lumber company.

### WILSON PLANS HIS SPEECH.

Confers with McAdoo on the Notification Ceremony.

Sea Girt, N. J., Aug. 1.—Governor Wilson had a long conference today with William G. McAdoo concerning plans for the ceremony of notification of his nomination, which will be held here on Aug. 7. It is probable that a platform will be erected on the lawn from which the governor will speak. If it rains, the notification committee probably will be seated on the governor's porch. The present plans, however, are tentative and will be reviewed by Representative Ollie James, chairman of the notification committee. Mr. James will discuss the matter with the governor at luncheon here Friday. Senators Hoke Smith and Culberson also are expected here Friday. The governor's speech of acceptance was in the hands of a stenographer today. When it has been typewritten the governor will review it and have it typewritten again preparatory to going to the printer. The nominee said today that he had fear that he had underestimated its length, because he had written his original draft in shorthand and the notes were very small. Representative Redfield of Brooklyn was expected here today for a conference with the governor on the tariff plank of the platform.

### SIMPLE CEREMONY BY TAFT.

Notification Proceedings at the White House to Be Brief and Informal.

Washington, Aug. 1.—Aside from a march of the official committee from the executive offices to the White House, the speeches of Senator Root its chairman, and of President Taft, in accepting the nomination, the notification proceedings tomorrow will be marked with unusual informality. More than 1000 invitations have been sent out from the White House. If the weather is fair President Taft will stand to deliver the speech of acceptance on the rear porch of the White House, probably with Mrs. Taft and his son, Charles, by his side. The guests will stand where they please on the lawn. Following the speaking there will be a reception and a buffet luncheon on the lawn or in the state dining-room.

### AGAINST PROFANITY.

Women Factory Employees Start Strike For Its Abolition.

New York, Aug. 1.—Four hundred girls, members of the Dressmakers' union employed at a Brooklyn factory, are on strike today against the use of profanity by the foreign and other male employees of the shop.

The strikers hope to bring about a series of walkouts in the other factories to enforce the demand for a rule that foremen and others be instructed that no profanity or abusive language shall be used in the work rooms at any time, no matter what the provocation.

### Smaller Bills.

Washington, Aug. 1.—The size of all United States currency and national bank notes probably will be reduced by one-third and their designs revolutionized by Secretary of the Treasury MacVeagh for the sake of economies to the government convenience to the public and safety against counterfeiting.

### HOW GIRLS MAY AVOID PERIODIC PAINS

The Experience of Two Girls Here Related For The Benefit of Others.

Rochester, N. Y.—"I have a daughter 13 years old who has always been very healthy until recently when she complained of dizziness and cramps every month, so bad that I would have to keep her home from school and put her to bed to get relief."

"After giving her only two bottles of Lydia E. Pinkham's Vegetable Compound she is now enjoying the best of health. I cannot praise your Compound too highly. I want every good mother to read what your medicine has done for my child."—Mrs. RICHARD N. DUNHAM, 311 Exchange St., Rochester, N. Y.

Stoutsville, Ohio.—"I suffered from headaches, backache and was very irregular. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years."

I cannot express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I had taken other medicines but did not find relief."—Miss CORA B. FOSNAUGH, Stoutsville, Ohio. R. F. D., No. 1.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for their daughters have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.
